Rules:

- Garbage must be sorted into the following categories below.
- Garbage must be put into the city-designated garbage bags or transparent/semitransparent bags.
- Garbage must be left at the designated garbage collection site from 6:30 a.m. to 8:30 a.m.

* Do not put garbage or recyclables out in cardboard boxes. (Cardboard boxes must be put out at a garbage collection site only on the paper collection day.)

Garbage collection sites are managed by neighborhood associations which provide funding and staff. Let's keep the stations clean!!

Category	How to Separate and Dispose of Recyclables	How to put out garbage for collection
Garbage	Combustible garbage ★Anything that does not fit into a garbage bag is considered bulky garbage. ●Plastic: Containers of yogurt, cooking oil, polystyrene foam, etc. ●Plastic bag: Plastic shopping bag, plastic wrapping material, etc. ●Non-recyclable paper: Wastepaper, carbon paper, plastic/vinyl coated paper, etc. ●Rubber and leather product: Rubber glove, rubber hose, etc. ●Others: Blanket(futon), mattress (no spring), carpet, aluminum foil, fallen leaves, grass, tent (no frame), disposable pocket warmer, etc. 	★Bamboo and tree branches less than 2 cm in diameter must be cut into pieces with a maximum length of 60 cm, and must be bundled together. (Bamboo and tree branches with a diameter 2 cm or greater must be cut into pieces with a maximum length of 60 cm, and must be brought to the Incineration Plant in Misawa City. Do not leave at the garbage collection site for pickup.) ★Cooking oil must be absorbed with pieces of paper, or solidified with an agent.
	Non-combustible garbage ★Anything that does not fit into a garbage bag is considered bulky garbage. ●Metal item: Glass jar/bottle cap, square steel can, etc. ●Small electric appliances: Microwave oven, toaster oven, blender, iron, printer, VCR, etc. ●Glass item: Cosmetic jar, light bulb, fluorescent light, etc. ●Ceramic: Tea cup, plate, etc. ●Others: Ski boot, modelling clay/dough, tent frame, water tank, etc. 	★Remove kerosene oil and batteries from oil heaters. ★Sharp edges such as broken glasses and knives must be wrapped in a piece of thick paper or a rag and write "DANGER" on it. ★Dry-cell batteries, fluorescent tubes and mercury thermometers must be disposed separately in other garbage bags.
	Bulky garbage ●Furniture: Kotatsu (Japanese heater table), table, bed, etc. ●Others: Umbrella, shovel, laundry pole, golf club, electric blanket, electric carpet, large speaker
